ENROLMENT FORM: Playgroup 2021

Playgroups are a great way for your child to experience a wonderful range of educational activities while families socialise and engage with other children and parents in the community. It is also a great way for children to transition from home to playgroup sessions, becoming familiar with routines, teachers and the building before beginning in our sessional kindergarten program.

Our Playgroup is open to children of all ages, with their families in attendance. You do not need to attend one of our kinder sessions to enrol in our Playgroup.
